**DOWNTOWN**  
COLORADO

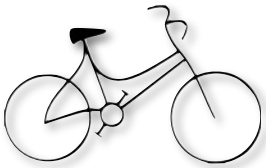

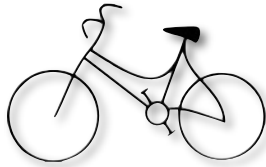

17 N Uncompahgre Ave, Suite A  
Montrose, CO 81401

**Phone:** (970) 901-9667

**E-Mail:** [info@montrosedowntown.com](mailto:info@montrosedowntown.com)

**Web:** [www.montrosedowntown.com](http://www.montrosedowntown.com)

**MONTROSE**  
**DOWNTOWN**  
COLORADO

### To Participate in the Program:

1. Contact Scott Shine, Executive Director of the Downtown Development Authority, at (970) 901-9667.
2. Set up a meeting to determine location(s) and make payment.
3. Rack will be ordered. May take two to three weeks.
4. Once the rack is received, donor will be contacted with installation and photo opportunity information.

The Montrose Downtown Development Authority is excited to announce the new **Downtown Bike Racks!** Donation Program. This program is designed to better accommodate cyclists who visit the downtown area and give businesses, organizations, or individuals the opportunity to show their support for cycling in our community.

The racks are locally designed and produced by ReclaMetals. Racks may be purchased to place in downtown Montrose. Each rack donation includes an engraved plate in the wheel of the bicycle with recognition of the sponsoring entity.

The cost of the rack, plaque and installation is \$300. Prior to purchasing the rack, the sponsoring entity will work with the Downtown Development Authority to identify mutually-agreed upon locations for the racks.

The Bike Rack Donation Program provides a unique way to show support for cycling in our community.

If you are interested in donating a rack or have any questions about the program, please call the Montrose Downtown Development Authority at (970) 901-9667 or [info@montrosedowntown.com](mailto:info@montrosedowntown.com).
